

Making The Numbers

This will be a live PowerPoint presentation with a discussion on numbers and calculations that pilots need to be aware of that effect aircraft performance and how to use these numbers to make accurate predictions on how the aircraft will perform.

There will be refreshments provided at 6:00 pm with the presentation starting at 6:30 pm.

From Hwy 61 take Airport Road straight to the Natchez-Adams County Airport terminal building. The meeting will be held in the upstairs room of the Airport Terminal.
