

Hot Topics for Aerial Applicators

This will be a Power Point lead open discussion that looks at aerial applicator accidents, the rules and regulations pertaining to 137 operations and the human factors associated with such operations. The seminar will also be beneficial to non 137 pilots, as it looks at human factors and hazards that not only effect aerial applicators, but all pilots as a whole.

Driving in from Hwy 61 and 8 Hwy/west Sunflower Road.

At the third red-light turn left on 5th avenue, E.R. Jobe Hall is the first building on the left.

There is a parking lot on the north and south end of the building.

If you turn on 4th street there is a parking lot on the south end of James M. Ewing Hall (building #33). You will walk to the west and cross 5th avenue and you are at Jobe Hall.
