

SBD TOWER OPEN HOUSE

Saturday

November 8, 2008

10:00 AM to 2:00 PM

Please join Airport Staff and Serco Management Services on **November 8, 2008**, for an open house forum at the San Bernardino International Airport Tower. Attendees will have an opportunity to tour the refurbished Tower, learn about the controlled airspace, view current airport development projects, and meet with the Airport's Management and Air Traffic Controllers. Food and beverages will be served.
