

FAASTeam presents:

CFI Workshop Module 5 - Safety Trends & Risk Management

FAASTeam CFI/DPE Workshops provide an opportunity for Flight Instructors, Ground Instructors, Designated Pilot Examiners, and the FAA Safety Team (FAASTeam) to meet and collaborate for safety. The result is the ability to enhance communication and standardization of the pilot training and evaluation processes. Become part of the solution!

Directions: Take the Magnolia exit from the 91 or 5 fwy. Head north on Magnolia and turn left on Commonwealth Ave. AFI is on the right, just west of the control tower.
