3015 Airpark Drive, Santa Maria

OK! Its ready for a little owner maintenance. Now where is that tech manual?

Oops! I guess we missed something. It looks like its too late to check for loose bolts, nuts, and other things.

Owner Performed Maintenance

Tom Carr joined the CPA Tech Staff in July,

1997, coming from Pontiac, Michigan where he was an A&P mechanic at the Oakland Pontiac Airport for 22 years. Since receiving his A&P license in 1973, he's been engaged in the maintenance, modification, and repair of general aviation aircraft. He received an IA endorsement in 1977 and a private pilot's certificate in 1981. He has a vast amount of experience and knowledge of all Cessna aircraft. Tom also owns and maintains a Cessna 150.
