

## REMINDER for Sat. 9-22: 'SELF' Rescue for PILOTS! '-POOL Course'-with-Coast Guard--'Lunch, etc.'

NOTE: 12:30 to 6:30 p.m. \*\*The majority of aircraft are NOT designed for ditching.\*\* Staying afloat, know what to expect and what to do! PANIC KILLS – it is that simple. If you know what to expect in the water, keep your calm and know a few, quite easy steps for your self rescue, your chances will improve. This workshop is hands-on and you will get into the water in a POOL with life jackets and life raft. Our Red Cross certified Water Safety Instructor and lifeguards will demonstrate techniques for your self rescue. (FEE Course - See Below)

**Directions:** I-5 - exit CROWN VALLEY PARKWAY - go west for ~5 miles - after LA PAZ and 3 lights you'll see the CROWN VALLEY COMMUNITY PARK to the right (soccer fields) - turn right at the park sign, FREE parking in front of the pool. Follow the signs! -- I73 (TOLL!) - exit GREENFIELD - go towards CROWN VALLEY - go west - same as above

### A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
