

REMINDER--2013 Safety Stand Down (Glendale CC) NTSB Panel Mem + FREE Lunch, (See Parking- FREE)

GCC and the GCC Aviation & Space Club together with the FAA Safety FAASTeam is pleased to host a presentation offered by select Aviation Experts and a Real NTSB, (National Transportation Safety Board) Investigator for this year's 2013 National Safety Stand Down. Thousands of pilots across the country will come together as a Safety Community to participate in a dynamic, interactive program devoted to Local Safety Issues, Loss of Control, and the number one aviation fatal factor – Human Error.

Directions: The attendees may park in Lot C without a parking permit. If they park in any other lot, they will need to already have a permit for that lot (for example a staff/faculty member who has a staff/faculty permit). We will not allow attendees to park without permits in any other lot, other than Lot C (levels 1 and 2 of the parking structure). PARKING MAP: <http://www.glendale.edu/index.aspx?page=1733>

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
