

Train like a PRO! (NOTE: Day & Time) Saturday - 1:00 to 3:30 P.M.

The professional pilots have learned the tricks and traps in training.

The pros are always in a training mode with 6 month instrument and line checks. Training is the best way to upgrade airmanship skills and present new challenges. The GA pilot has the same opportunity to learn how the pro-pilots approach training with powerful training techniques.

Directions: Upstairs conference room in the modern Premier Jet Center - CRQ
Free Parking in front of building
