FAASafety Team--FAAST presents:

Targets in the Sky - A SIMPLIFIED Approach to the Instrument Scan

T & Inverted V what’s that all about? Control and performance instrument scan can be simplified with proven techniques with flying by the numbers & targets in the sky which includes glass transition. This seminar promises to simplify your instrument scan with a different approach. Rusty scan or No scan, Targets in the sky is for you which includes a bonus simulator time opportunity.

**Directions:** *Drive: Exit 405 @ Sherman Way, "go West"--Left on Hayvenhurst Ave to 2nd-3 story bldg" on left. Left to bldg. rear for parking. Downstairs turn right. *Fly-In:*Park @ Signature (Possible Ramp Fees) Advise FBO Staff that you are attending a FAA Sponsored event.
