

CFI Open Forum - When Things Go WRONG! Emergency Solutions - 'Everyone Welcome'

When Emergencies occur the PIC must react with knowledge and discipline. We will explore comprehensive, modern techniques that build discipline used to teach emergency procedures. We will take lessons from the airlines that explore different types of emergencies, human factors involved, scenario based emergency training techniques, etc. ALL PILOTS, regardless of experience or ratings will benefit from this special seminar.

Directions: *Drive: Exit 405 @ Sherman Way, "go west"--Left on Hayvenhurst Ave to 2nd-3 story bldg" on left. Left to bldg. rear for parking. Downstairs turn right. *Fly-In: Park @ Signature (Possible Ramp Fees) Advise FBO Staff that you are attending a FAA Sponsored event.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
