

What Would You Have Done?

In this event, we will dissect actual scenarios including some emergency exercises and brain teasers. We all love playing Monday-morning quarterback, so let's take advantage of those skills to learn from previous accidents and incidents. Audience participation will be encouraged to discover, "what would you have done?" After an interactive audience discussion, the actual course of action taken by the pilot in that scenario will be revealed. Bring your own stories to contribute to the exercise. And as always- coffee, water, and snacks will be provided!

Directions: Exit Las Posas Road off 101 freeway, go South. At Pleasant Valley Road, turn right. At Airport Way, turn right. Building is on the left, just prior to the stop sign at Durley Rd.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
