

FAASTeam presents:

Truly Understanding Airspace! w/ David Voelker, FAA Inspector

FAA Inspector David Voelker will review important parts of the Airspace System and will explain them in a way that definitely amazes most pilots. David engages everyone, and makes the details you thought you understood leap off the page! The NUMBER ONE VFR PILOT DEVIATION are AIRSPACE VIOLATIONS! This is your opportunity to Protect Yourself! "What you think you know, just might come back to bite you!" David Voelker has a unique ability to help us gain real insight into the regs. He will help you clarify just where additional study might pay off!

INSTRUCTORS who would like to benefit from some additional very professional insight, and pilots of every level are invited to attend.

Directions: 101, Exit S. Las Posas Rd., Right on Pleasant Valley Rd., Right on Eubanks. Destination is on the right immediately after road curves left. We are operating out of the CAF while the new EAA hangar is being built.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
