

RUNWAY INCURSION Avoidance Training

Van Nuys Airport in particular has had an undue amount of Recent Runway Incursions! Will YOU be Next? Avoid getting requested to call the tower, or worse: an accident.

Taking some time to review the currently used Airport Taxiway and Runway Signs and Markings, as well as the Required Communications and your Pilot Responsibilities might be a good idea.

Directions: Rotor F/X 16644 Roscoe Blvd. Van Nuys, CA 91406-1103 on KVNY Big Blue Hangar with large American flag

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
