

ForeFlight Basics from Preflight to Postflight with Brian Schiff a VC99s Pilot Proficiency Class

ForeFlight is a comprehensive, one-stop source for all of your aviation information including weather, planning, briefing, flight plan filing, weight and balance, checklists, navigation, situational awareness on the ground and in the air, an aviation library, and much more. Learn from a professional how to use this powerful tool effectively.

There is a fee for this class. Preregister at least 24 hours in advance at <http://www.vc99sclasses.com>.

Directions: Driving: Exit 101 Freeway at Los Posas, head south on Los Posas. Turn right at traffic light at Pleasant Valley. Turn right at traffic light at Airport Way. Dept of Airport Building is last building on the left where Airport Way dead ends at Durley. Flying: A three minute walk from the walk-through gate adjacent to Channel Island Aviation. Walk out to Durley, turn left on Durley. The Dept of Airports Building is on your right at the intersection of Durley & Airport Way.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
