

What EVERY PILOT and PASSENGER should know about DITCHING and OVER WATER SURVIVAL

Probably the most famous ditching is the Hudson River splash down. It goes without saying that not too many pilots want the actual experience, but EVERY PILOT should be armed with the INFORMATION NECESSARY to make the EVENT SURVIVABLE.

Directions: Big, Green Glass, Four Story Building, First Driveway Past Airport Ave. (College Dr. - traffic light) Southeast Corner of KSMO. Go down hill into big free parking lot - PARK HEAD IN ONLY!

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
