

FAASTeam presents:

**It Is Time to MOVE - Temporarily THAT IS - Van Nuys (VNY)
Tower ATC Moves Into a TEMPORARY Tower**

It is Time to Move Out of the OLD Into the "TEMPORARY" Tower - that is. It should be business as usual for the VNY Air Traffic Control Tower staff in the "NEW" Van Nuys TEMPORARY Tower.

However, the VNY ATC controllers want to talk to airmen about current and/or new procedures that "MAY" cause the Tower to reduce Service at peak times of traffic plus other questions that you may have will also be addressed. Of course there will be a Do's and Don't of operating in and out of VNY. Plus there will be a Q & A session where you can ask the questions you've always wanted to ask, listen to the answers other seek, and listen to the advice and inside info that these longtime experienced and distinguished controllers bring to the table!
