

# NEXTGEN The INS and OUTS of ADS-B Plus the New FAA REBATE

We'll Explore the Future of Flight and Nextgen! Ground-based aircraft control is changing to Satellite-based system of traffic management. It's HERE NOW. What equipment will you need? When will the FAA require it? We'll describe what GA Pilots Need To Know, plus a new FAA Purchase Rebate Program.

**Directions:** Enter the airport area at the Osborne St. main entrance near the intersection of Osborne and San Fernando Road. Plenty of free parking. Drive to far end of lot near Airport Manager's office.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
