

FAASTeam presents:

Ask the FAA

Join David Voelker from the Van Nuys FSDO for an open forum discussion on General Aviation issues. This is an opportunity to ask questions and get an FAA perspective on any aviation topics that concern you. Mr. Voelker is a GA Operations Inspector and is well aware of the current and future challenges that we as GA pilots are facing. He also has a sense of humor, so bring your questions, an open mind, and enjoy an evening hanging out at the airport.

Directions: North side of Santa Maria Airport (KSMX). Follow directions to terminal and continue west.
