

VFR EMERGENCIES YOU Could EXPERIENCE

Video and discussion about engine failures, procedures you can use when you are lost, when a crash landing is probable, inflight failures, including control failures, and even the "impossible turn," and what you need to consider in order to survive it, and more!

Directions: Enter from Roscoe St... Big Blue Hangar... Plenty of free parking.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
