

VFR Emergencies You Could Experience

Video and discussion about engine failures, procedures you can use when you are lost, when a crash landing is probable, inflight failures, including control failures, and even the "impossible turn," and what you need to consider in order to survive it, and more!

Directions: First driveway going south past Airport Avenue (College Dr. - Traffic Light) Southeast corner of KSMO. Located inside the big green four story building on the first floor. Plenty of free parking, But, Park ONLY HEAD-IN to parking spaces!

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
