

FAASafety Team presents:

Sunday Morning Hangar Talk Special Topic Airspace

Donuts or chips, GA Hot News, Pilot's Fitness, & More, plus our very popular feature that asks, "WHY?," and addresses an intriguing timely event/accident. At 10 am HANGAR TALK begins! A Casual Round Table discussion (often motivated by videos) wherein your stories, questions, opinions and comments will serve as the tasty appetizers on our checklist. An Airspace Review and some chart reading is today's "Back to School" feature.

Perfect for the pilot thinking about a Flight Review!

Hopefully, everyone will discover something that will improve their own pilot skills and knowledge bank.

Designed to emulate the old days when there really was hangar talk, donuts & coffee. The Pilot's Lounge is a comfortable intimate area with tables, chairs & upholstered furniture.

Directions: Drive from the intersection of San Fernando and Osborne on Osborne past the Airport's main entrance and turn on Airpark Way. Drive to Vista Aviation and enjoy free parking.
