

How YOU CAN UPGRADE and IMPROVE YOUR AIRCRAFT CHECKLIST

Insuring that your checklist details ALL the information You Need to be as Prepared as possible, is a GOOD IDEA. This Seminar will help you include the Possibly Missing Data that maybe you didn't even realize you REALLY NEED!

Checklists must be the best possible! Used for standard daily flights, and for those emergency situations where making an operational mistake can result in serious, or fatal consequences. Seminar length: 2 hours

Directions: Easily accessible from Balboa north of Strathern St. On west side of Van Nuys airport.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
