

JUST HOLD IT! and Learning DME ARCS

Learn HOLDING Patterns and DME Arcs Fast and EASY!

This Two Part Seminar is for those seeking an IFR Rating, and/or for the Smart GA Pilot that would like a Refresher. It is NOT really intended for the professional IFR pilot that regularly flies Part 135, etc.

Directions: Easy access from Woodley, north of Sherman Way. Plenty of free parking at the Fly Away spots marked, "30 minute parking" located in front of the building. Don't enter the indoor parking unless you wish to pay the regular fee. You can use either the outdoor staircase to the conference room, or the elevator located inside the lobby area.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
