

N/A presents:

Mountain Flying and Density Altitude with Captains Barry Schiff and Brian Schiff

Have you wanted to fly to Big Bear, but didn't because you feel uncomfortable flying into the mountainous environment? This class will provide an insightful approach to mountain flying procedures and techniques, including tips that will make mountain flying easier and safer, and improve your confidence.

There is a fee for this class.

Preregister at least 24 hours in advance at <http://www.vc99sclasses.com>.

Directions: Driving: Exit 101 Freeway at Los Posas, head south on Los Posas. Turn right at traffic light at Pleasant Valley. Turn right at traffic light at Airport Way. Dept of Airport Building is last building on the left where Airport Way dead ends at Durley. Flying: A three minute walk from the walk-through gate adjacent to Channel Island Aviation. Walk out to Durley, turn left on Durley. The Dept of Airports Building is on your right at the intersection of Durley & Airport Way.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
