

NEXTGEN The INS and OUTS of ADS-B

How the Future of Flight Will Effect You! We'll Explore Nextgen! Ground-based aircraft control is changing to Satellite-based system of traffic management. It's HERE NOW. What equipment will you need? When will the FAA require it? We'll describe some of what GA Pilots Need To Know. Seminar Length 2 hrs.

Directions: Easy entrance from Osbourne Street east of San Fernando Blvd. Airpark Way is a bit east of the Airport Entrance. Airpark Way Way is marked with the Cessna sign. Just drive on Airpark for a minute or so and the Vista Aviation / Airport Administration Building will be to your left. Lots of free parking to both your left and right.
