

FAASafety Team presents:

Sunday Morning Hangar Talk Special Topic DeMythaflying

We learned it... We believe it... most folks have the same opinions... but, what if things have changed? What if we haven't? What if the concepts that could save your life and that of others are now misunderstood?

We will begin with discussing the NTSB Preliminary Report and illustrating what we know about the recent tragic event with video and details.

Donuts and/or Chips , GA Hot News & More, plus our very popular feature that asks, "WHY?," and addresses an intriguing timely event/accident. Hopefully, everyone will discover something that will improve their own pilot skills and knowledge bank. Seminar is scheduled for 10 a.m. to 12 p.m.

Designed to emulate the old days when there really was hangar talk, donuts & coffee. Casual, and everyone is encouraged to anticipate.

Directions: Drive from the intersection of San Fernando and Osborne on Osborne past the Airport's main entrance and turn on Airpark Way. Drive to Vista Aviation KWHP Airport Administration building and enjoy free parking.
