

FAASafety Team--FAAST presents:

Beyond Approach Understanding the Plates Part 1

Beyond Approach unleashes the picture of an IFR Approach as depicted on Approach Charts (Plates) and translates what the symbols mean, and what the "plate" tells us! We'll understand what we need to do to fly an approach successfully.

This Seminar is intended for those thinking about an IFR Rating, and for the Smart GA Pilot that would like a Refresher. It is NOT really intended for the professional IFR pilot that regularly flies Part 135, etc. This is Part 1. Seminar Length: 2 hrs

Directions: Easy access from Osborne St. East of San Fernando Rd. Travel on Airpark Way a minute or so until you see the Vista Aviation / Whiteman Administration Bldg. on your right. Plenty of free parking.

A message from the National FAASafety Team Manager
