

How to Improve Your Aircraft Checklist

This seminar centers upon your aircraft, and the unique and common areas that can be focused upon that are often missed on most checklists. Though you should not delete any line items, some important ones should be added. Learn about them here, today. Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines. Seminar Length 2 hours.

Directions: The campus is conveniently located on Aviation Boulevard only about a mile from LAX airport.
