

FAASTeam presents:

Post Covid ForeFlight New Features Review

ForeFlight Update:

ForeFlight, the ever evolving software, has added dozens of new features since our pre-Covid Seminars. Join us now for a comprehensive session covering all these great features! We'll examine Hourly/Daily Weather Forecast, Custom Waypoint Elevation, from Per-Leg Altitude, Adding Relevant Documents and MORE!

YOU'RE INVITED!

Directions: Drive to the building & parking lot by using the entrance for Whiteman Airport located on Osborne St. just east of San Fernando Road in Pacoima. Look for the CAP Signpost. Plenty of free parking. We will meet in CAP Meeting Room #1, which is very visible from the parking lot.

A message from the National FAASafety Team Manager

Earn your WINGS to get a chance to win a cash prize. Go to www.mywingsinitiative.org for more info.
