

FAASafety Team presents:

# **Engine Failure - How to Proceed - Off Airfield Safety**

Engine Out! What WE CAN DO for the Best SAFE LANDING! Everyone will discover NEW circumstances to consider, and an important option that will improve their own pilot skills and knowledge bank.

The result: YOU WILL BE BETTER PREPARED for THE EVENT we would prefer not to think about.

Seminar is scheduled for 6 p.m. - 8 p.m. Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

**Directions:** Gain easy access to Airport Ave. from South Bundy in the Santa Monica Airport area. Drive toward the airport past the restaurant and you'll find Proteus on your right further down the road. Plenty of free parking.

#### **A message from the National FAASTeam Manager**
