

## Expect the Unexpected

Join us for an enlightening presentation by Louis as he recounts his adventurous journey from Santa Barbara to AirVenture 2024 in Oshkosh, Wisconsin. This real-world flying experience in a Bonanza serves as a discussion topic in pilot decision-making and adaptability. This presentation is not just a travelogue but a deep dive into the practical application of pilot skills.

Louis will take you through the intricacies of his flight, highlighting how even the best-laid plans can be challenged by the unpredictable nature of cross-country flying. You'll gain valuable insights into:
