

# LIGHT SPORT AIRCRAFT DISPLAY DAY

PRESENTED BY EAA CHAPTER 92

## **DESCRIPTION**

In conjunction with the recent chapter program presentations on Light Sport Aircraft regulations, LSA aircraft characteristics and usage parameters, usefulness as a training platform, etc., Chapter 92 is presenting a Light Sport Aircraft Display Day at Chino Airport. This event allows attendees to get a close look at many of the leading LSA models, talk to the owners / pilots / sales reps about the aircraft characteristics, features, performance, options, build time and cost, and make arrangements for follow-on demo flights. There will be 8-10 of the leading LSA on static display at the event.

## **WHERE**

Chino Airport, EAA Chapter 92 Builder Center Hangar directly in front of Flo's Café. Drive-in and fly-in visitors welcome.

## **DATE**

Saturday, 11 Feb 2012 (rain date alternate: Saturday, 18 Feb 2012)

## **TIME**

1:00 pm to 4:00pm.

## **LSA ON DISPLAY**

As of Jan 1, the following aircraft are confirmed for the event:

- Arion Lightning LS-1
- Cessna 162 Skycatcher
- Flight Designs CT
- Legend Cub
- Remos GX
- Sport Cruiser
- Tecnam (model TBD)
- Van's Aircraft RV-12

## **VOLUNTEERS**

The organizing committee for this event consists of Jim Randall, John Halcrow, Roland Koluvek, Robert Baker, Thom Steury, and Vince Orton. We will need additional volunteers to help on the day of the event for site set-up, visitor sign-in, refreshment sales, Builder Center tours, parking and display area perimeter control. If you are interested in volunteering, please contact one of the committee members.
