

## The latest in RNAV approaches... WAAS new? (FEE EVENT)

RNAV... LNAV... LNAV+V... L/VNAV... APV... LPV... LP... GPS... Are these terms and their meanings confusing to you? If so, make it a point to brush up on these and other important acronyms as we review the latest in RNAV/GPS approaches with Gold Seal and Master CFI John Mahany.

If flying in, please contact event host to arrange airport pick up and dropoff.

There is a modest fee for this event to support SoCal Pilots Association, please refer to <http://www.socalpilots.org> for details.

**Directions:** Community Room

#### **A message from the National FAASafety Team Manager**

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
