

'Weather' - To GO or NOT -- (One of the BIGGEST Judgement Calls YOU can Make)

Ron Berinstein, a CFI, AI, AGI and FAA FAASafety Team Lead Representative who flies aerobatics in a Super Decathlon out of Santa Paula and is a recipient of the FAA WINGS Master Pilot award is our presenter.

This seminar will feature the information you need to know about obtaining the big picture and how to anticipate the conditions associated with weather systems. Ron will present how to best use Weather charts, Metars, TAFs, Area Forecasts, Airmets, Sigmets, TIBS, ASOS/AWOS, HIWAS, EFAS, and take a glimpse at the new FIS-B. Refreshments will be served!

Directions: Main meeting room at the General Aviation Center

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!
