

The 3 Biggest VFR & IFR Radio Mistakes, (or how NOT to make them!) NOTE: Time - '6:30'

Radio communication, especially in the busy LA basin, can be confusing and hectic. There are 3 common mistakes that VFR and IFR pilots make that can cause confusion, delays, or even dangerous situations. PLUS the one radio communication you are required to do that, ALMOST NO ONE DOES, and why this mistake can actually cost lives.....

Come spend 90 minutes in a funny and entertaining class that is guaranteed to make flying in LA easier and safer for everyone!

Directions: 3rd Floor of Airflite. Cross Street of Cherry / Wardlow

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
Sign up for the FAA's safety services at www.FAASafety.gov!
