

SAFETY

Attend the FAASTeam/HAI Helicopter Safety Workshop

- Share with your peers, learn, ask questions and have your voice heard
- Learn about accident trends, human factors and safety culture
- Discuss local issues affecting pilots
- Learn how the FAASTeam is working to make you safe
- Discover what HAI can do for you NOW!
- Speak one-on-one with active industry pilots on your career strategy

Lunch and breaks sponsored by HAI

The FAA Safety Team (FAASTeam) and Helicopter Association International (HAI) invite you to attend a **Helicopter Safety Workshop for all helicopter pilots**. The agenda will include sessions on safety, operations, career development, and much more.

Saturday - February 23, 2013 (8:00 am – 4:30 pm)

Robinson Helicopter Co. (Located at the Torrance Airport)

2901 Airport Drive, Torrance, CA 90505

Phone: 310-539-0508

Fly-In is available at Robinson at TOA Airport. Park in Transient Parking.
