TIPS, TRICKS, & HANDS-ON TRAINING

Come spend Saturday morning October 12 with an expert who will teach you how to use this amazing new tool to save time, money, and even be safer! This hands-on class will teach you everything from flight planning, to fuel savings, use in emergencies and at least 5 new cool tricks most people don't know, and the one missing feature it can't do! If you have it, want it, or have never heard of it come and learn. If you already have it, bring your iPad or iPhone and do some hands-on training right in class!

Training Location: 94th Aero Squadron Restaurant 16320 Raymer Street, Van Nuys.
