

## FLYABOUT - - An Australian Flying Adventure - - film & presentation by Monika Petrillo

Flyabout tells the autobiographical story of Monika Petrillo's journey piloting a small single-engine airplane around the continent of Australia. Her father, a pilot with limited experience himself, is riding shotgun.

As the only woman pilot in a group of eleven people, Monika sets out to experience the true freedom of flight above one of the most untouched places on earth. The idea of the Walkabout, a spiritual journey Aborigines have valued for thousands of years, further inspires her to seek an elusive spiritual experience herself.
