

FAA Safety Team, (FAAST) presents:

The 3 Biggest VFR & IFR Radio Mistakes, (or how NOT to make them!)

Radio communication, especially in the busy SoCal and NoCal areas, can be confusing and hectic. There are 3 common mistakes that VFR and IFR pilots make that can cause confusion, delays, or even dangerous situations. PLUS the one radio communication you are required to do that, ALMOST NO ONE DOES, and why this mistake can actually cost lives..... Come spend 90 minutes in a funny and entertaining class that is guaranteed to make flying in LA easier and safer for everyone! Gary Reeves, ATP, Master CFI, CFII, MEI has over 5000 hours and is a very popular aviation public speaker. His Seminars in the LA Basin have 100+ attendees and are standing room only - PLEASE register early and arrive by 2:00 to guarantee a seat!

Directions: Parking at the county lot is free. Fly in directly to the Jet Center. For questions about parking, please email <mailto:arobillard@acijet.com>

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
