

## ForeFlight Mobile - Tips, Tricks, & Hands On Training!

Come spend an evening with an expert who will teach you how to use this amazing new tool to save time, money, and even be safer! This hands on entertaining class will teach you everything from flight planning, to fuel savings, use in emergencies and at least 5 new cool tricks most people don't know and the one missing feature it can't do! If you have it, want it, or have never heard of it come and learn. If you already have it bring your ipad or iphone and do some hands on training right in class! This special 1-Time visit by the expert is part of a free CA State Safety Tour sponsored by <http://www.PilotSafety.org>

**Directions:** Hwy 101 North or South – follow detour signs to access Airport Blvd. Go west on Airport Blvd, turn right on Skylane Blvd, second right into Sonoma County Office of Education (SCOE). Follow signs in building to meeting room.
