

Runway and Airport Safety

Bring all your airport and ATC questions, as Elliot Brann will share insights for the small plane pilot from his perspective on the other end of the microphone in a very informative, enjoyable and interactive presentation. Everyone is welcome! Elliot has been an Air Traffic Control specialist for over 30 years, with experience in LA Center and at LAX tower since 1987. He is a member of the FAA Western Pacific Region Runway Safety Team and a former military controller.

Directions: AFI Main Hangar, next to self-serve fuel island west of the terminal building.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
