

Mountain Flying for fun and safety!

Come spend an evening with an expert who will teach you how to make mountain flying easier, safe and, fun. You will learn why mountain flying is different, effects of altitude on airplanes and pilots, mountain weather and some great basic strategies to avoid CFIT accidents. Your speaker, Gary Reeves, is one of only 15 Master Instructors in California and is a nominee for the 2014 National Instructor of the Year. As an ATP with over 5000 hours he is a true expert on IFR flight.

Directions: At the main terminal cross streets of Zamperini / PCHNOTE: Time - '6:30 is start of TAA Meeting, If not attending the meeting please arrive no later than 6:45 to sign in. Class to immediately follow starting at 7:00pm'

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
