

The 25 most common mistakes that good pilots make.

Come spend 75 minutes with an expert who will cover the 25 most common pilot mistakes. These are the mistakes that good pilots continue to make on a regular basis. We will hold an open discussion on the three main reasons they happen and how to prevent them. These mistakes happen on all level from students to airline pilots and are both VFR and IFR. This is a must have class for anyone who wants to be a safer pilot or better instructor.

Directions: This seminar will be in Smoketree A-E and is part of Flying Aviation-xpo.com.

You must register early and online for a free 3-day admission to the Aviation-Xpo.
