

The 25 most common mistakes that good pilots make.

Come spend an evening with an expert who will cover the 25 most common pilot mistakes. These are the mistakes that good pilots continue to make on a regular basis. We will hold an open discussion on the three main reasons they happen and how to prevent them. Come early to get a seat and parking.

Directions: Chapter 491's hangar #J6 is located at the west end of the field on a small taxiway leading slightly uphill from the Compass Rose

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
