Lead Representative GARY DALE REEVES

Come spend 90 minutes with an expert who will teach you how to make instrument flying much easier! This hands on entertaining class will teach you how to make every part of IFR flying better and safer from approaches to shutdown. You will leave the class with 10 simple easy you use tips on subjects like holding patterns, weather briefings, approaches, alternates and more. This is a **MUST ATTEND** Webinar for anyone from someone who wants to start their IFR training to the IFR Instructor.

Your speaker, Gary Reeves, is one of only a few Master Instructors in California and is the 2014 Flight Instructor and FAAST Member of the Year for the Long Beach FSDO. As an ATP with over 5000 hours he is a true expert on IFR flight.

Directions: The SUN 'n FUN Educational Forums will be held in the Central Florida Aerospace Academy (CFAA) across from Aerospace Discovery at the Florida Air Museum that houses eleven classrooms
