

Date Change - Surviving So Cal Airspace - A Pacific Flyers Event!

Come spend 90 minutes with an expert who will teach you how to understand and fly easily in one of the world's busiest airspace. We will cover all the bravo routes (and which ones are the easiest) along with TFR's, C, D special use airspace including common mistakes, iPad use and even tips for CFI's to help teach the area!

Directions: The meeting will be held at the Palomar Airport Administration Building which is the first structure on the left as you enter the airport property. Please proceed past the building to the main parking lot which is down a short grade on the left.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
