

FAASTeam presents:

IFR Made Easy - Ten tips to make learning and flying actual IFR much easier!

Come spend 90 minutes with an expert who will teach you how to make instrument flying much easier! This class will teach you how to make every part of IFR flying better and safer from approaches to shutdown. You will leave the class with 10 simple easy you use tips on subjects like holding patterns, weather briefings, approaches, alternates and more. This is a **MUST ATTEND** seminar for anyone from someone who wants to start their IFR training to the IFR Instructor.

Your speaker, Gary Reeves, is one of only a few Master Instructors in California and is the 2014 Flight Instructor and FFAST Member of the Year for the Long Beach FSDO. As an ATP with over 5000 hours he is a true expert on IFR flight. He is a well known national public speaker at Oshkosh, SunNFun, and every other major national convention.

Directions: Located south of Dallas, just West of US67 between I-35E and I-20. From US67, take S. Hampton Road northbound. Turn left (West) on to Challenger Drive. Terminal is at the end of Challenger Drive.

A message from the National FFASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
