Select #: WP0565788

Lead Representative GARY DALE REEVES

Come spend 90 minutes with an expert who will teach you how to make instrument flying much easier! This hands on entertaining class will teach you how to make every part of IFR flying better and safer from approaches to shutdown. You will leave the class with 10 simple easy you use tips on subjects like holding patterns, weather briefings, approaches, alternates and more. This is a **MUST ATTEND** Class for anyone from someone who wants to start their IFR training to the IFR Instructor.

Your speaker, Gary Reeves, is one of only a few Master Instructors in California and is the 2014 Flight Instructor and FAAST Member of the Year for the Long Beach FSDO. As an ATP with over 5500 hours he is a true expert on IFR flight.

***Directions:*** Arrive Early to register and get a seat.

### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
