

## Weather Accidents and How to Avoid Them

Join two of PilotSafety.org's Master Instructors on a 90 minute discussion of three different general aviation weather accidents. This free and entertaining class will not only show what went wrong but teach you how to keep from making the same weather mistakes. A must attend class for anyone from a student pilot to and experienced flight instructor. FAA Wings Credit will be given to attendees.

**Directions:** This is a FREE ONLINE Webinar from PilotSafety.org  
Visit <http://www.pilotsafety.org/Webinars.html> to register.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
