

## CFI Open Forum

This CFI Open Forum will be a discussion on the use of as well as the pro's and con's of teaching with Tablets, EFB's, and associated software and hardware. The discussion will include how to train and teach with EFB's, and common mistakes. The discussion should center on how to safely integrate new with traditional technologies to effect safer flight operations for everyone

**Directions:** In Long Beach, on Cherry Ave., at Wardlow Rd. go EAST almost to the end. Proceed past the STOP Sign, turn Right on AirFlite Way. Continue past the Security Guard Shack to the parking lot. The meeting is in the 3rd floor meeting room.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
